About The Mentoring Partnership & Magic of Mentoring

Founded in 1995 by Ambassador Dan Rooney of the Pittsburgh Steelers and George L. Miles of WQED, The Mentoring Partnership (TMP) champions strong, supportive relationships for all young people. As the lead convener of mentoring in our region, we take a holistic approach to centering relationships across every aspect of youth support.

Our work with formal mentoring programs, community organizations, schools, youth sports leagues and others ensures that we can activate the power of all caring adults to create relationship-rich environments for young people. We provide our services free of charge and deliver nearly \$275,000 worth of no-cost services to local programs each year!

As we celebrate our 30th anniversary, we remain committed to our work to ensure all young people have caring adults in their corner who can help them feel safe, supported and empowered to dream big.

On **Tuesday, October 21st**, TMP will host the Magic of Mentoring at Acrisure Stadium. Held only every other year, the Magic celebrates mentoring in Western Pennsylvania and honors the many programs, mentors and supporters who make it all happen for more than 20,000 kids in our region.

Known as one of the largest special events in the region with more than 1,000 guests attending, the evening is designed to bring together friends and colleagues, corporate leaders, mentoring providers, foundation executives, government officials and the general public, all who share a passion for mentoring. The setting is very informal with no seated tables and guests enjoy great food and refreshments, a short, 30-minute program, an expansive silent auction and the opportunity to raise funds that will support TMP's work with 150+ local mentoring programs.

On this special evening, TMP will recognize its 14th Thieman Award Honoree for their dedication to growing mentoring in our community and beyond.

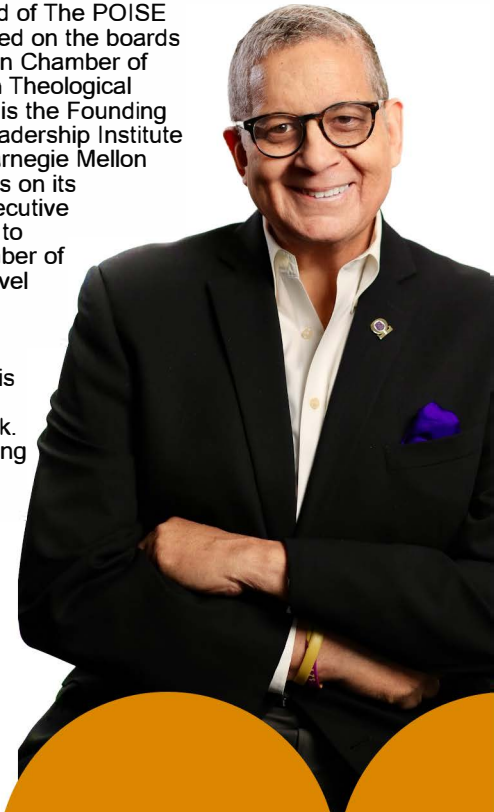

2025 Thieman Honoree: Greg Spencer

Greg Spencer is Managing Director of Spencer MacCleary & Associates, a talent acquisition and organization development business based in Pittsburgh. A native of Washington, PA, Greg attended Wilberforce University, graduated with honors at Pitt and earned a master's from St. Francis University. After serving in the U. S. Air Force, he joined the United States Steel Corporation as a laborer, eventually becoming General Manager of Human Resources. He is the Founding Co-Chair of The Advanced Leadership Institute (TALI) in collaboration with Carnegie Mellon University and currently serves on its Advisory Board and as an Executive Mentor. TALI was established to dramatically increase the number of African Americans in senior level positions.
